ABOUT SB GENUS

SB Genus is a leading web development company based in Chinsurah, Kolkata, specializing in custom software, mobile app development, and digital marketing services. Established in 2017, SB Genus delivers innovative solutions to businesses across various industries, helping them enhance their digital presence. The company focuses on quality, customer satisfaction, and supporting startups in their growth journey.

Our Mission

We are committed to providing top-tier app and web development services, paired with expert SEO and digital marketing solutions.

Our mission is to help businesses establish a strong online presence through tailored digital solutions that foster growth and drive customer engagement.

Our Vision

- We aspire to empower businesses with innovative technology and marketing strategies that deliver measurable success.
- Our vision is to be a trusted partner for businesses looking to innovate and grow online, providing solutions that are as unique as your brand.

OUR SERVICES

Website Design

Crafting visually appealing, user-friendly websites that engage visitors and enhance your online presence.

Graphics & Logo Design

Creating unique, impactful graphics and logos that represent your brand's identity and drive recognition.

Software Development

Crafting innovative, scalable, and user-focused software solutions to drive efficiency and business success.

Digital Marketing & Maintenance

Enhancing brand presence through strategic digital marketing and ongoing maintenance for consistent growth and engagement.

OUR SERVICES

Custom App Development

Designing tailored, feature-rich apps to meet unique business needs and enhance user experiences seamlessly.

Cyber Security

Protecting your digital assets with advanced security solutions to prevent threats and ensure data safety.

Domain & Hosting

Reliable domain registration and hosting services for fast, secure, and scalable online presence management.

Crypto Currency

Revolutionizing finance with secure, decentralized digital currencies for fast, transparent, and borderless transactions.

OUR SERVICES

Data Analysis

Transforming raw data into actionable insights to drive informed decisions and business growth.

SAAS-Software As A Service

Providing scalable, cloud-based software solutions that empower businesses with flexibility, efficiency, and seamless access.

Mobile Game Development

Creating immersive, fun, and engaging mobile games that captivate players and drive lasting experiences.

Reels & Video Editing

Managing your social presence with strategic content, engagement, and analytics to boost brand visibility.
